TOWARDS 2015

“Towards 2015” is a strategic plan by the Montrose Soccer Club to improve the change room facilities and playing fields at Keith Hume Fraser Reserve, Montrose. Our application for a \$100,000 grant under the State Governments “Strengthening the World Game” program was successful, combined with Council and Club funds will total an \$800,000 investment in our future.

The pitch redevelopment is underway with improvements including new drainage, irrigation and warm season grass. Works on our top pitch is complete, works on the bottom pitch starts late 2013 and will be completed in time for play in 2014 season.

The change rooms will be built adjacent to the existing club rooms. Plans have been approved, shortly the project will go out to tender, with building to commence in 2014. This is a fantastic outcome for the Club.

JUNIOR SMALL SIDED FOOTBALL

UNDER 8/9, UNDER 10, UNDER 11

Small Sided Football is a modified form of 11-a-side football, designed to meet the needs of players between the under 6 and 11 age groups, who have very different developmental characteristics and needs to adult players. The philosophy of Small Sided Football focuses on enjoyment and freedom of expression with limited emphasis on coaching per se, particularly in the formative years of a player's development.

The football games designed especially for children, with fewer players competing on a smaller-sized field. Players have more contact with the ball because fewer players are playing in a smaller playing area. Small Sided Football meets the developmental needs of younger football players whilst maintaining a strong focus on maximum participation and enjoyment.

Under 10 and Under 11 play 9 vs 9 on a half size pitch. Under 9 play 7 vs 7 on a quarter size pitch

OLDER JUNIOR TEAMS

UNDER 12 AND ABOVE

After graduating from Small Sided Football, players compete in 11-a-side football on full size pitches with official FFV Referees. Players will develop the skills taught and enjoy more time-on-the-ball and space that a full size pitch offers.
